

Prepare your child (or yourself!) for a regular encounter with the living God.

A class preparing baptized persons in 4th grade or above or 10 years old or older, including adults, for their first communion takes place every other month at Faith Lutheran Church in San Dimas.

Participants gather in the Conference Room, down the hall in the worship building, under the cross tower.

Parents of participating children are asked to come to this class and will take part in their child's first communion celebration the following Sunday. Baptismal sponsors (Godparents) will take part as well on Sunday if they are in the area.

Contact us at 909 599-3978 or [flic@faithsd.net](mailto:flic@faithsd.net) for information on the next class.

Come and receive a gift from Jesus: personal communion with him in the forms of bread and wine (grape juice is also made available) as real assurance of forgiveness and reconciliation with God through faith in God alone. Come and grow in a living faith in the living God.

Free professional child care will be provided for younger children upon request.

Faith Lutheran Church is located at 505 East Bonita Avenue (1/2 block east of the Post Office) in San Dimas.
