

INTRODUCTION TO FAITH CLASS

Would you like to learn about or review the basics of the Christian life?

Do you have questions you'd like to raise in an open atmosphere where questions are welcome?

Would you like to know about Baptism?

Would you like to be a part of a learning group composed of others who are also learning?

Would you like to become a member of our Christian community at Faith Lutheran Church?

You are invited to our next Introduction to Faith class! Groups are formed every other month. They meet for three sessions at varying days and times. This introductory class includes segments on the Bible as a single story, on faith and how it develops, on the history, beliefs and practices of Faith Lutheran Church and its place in Christian history, on how to discover your spiritual gifts, and more!

Free professional nursery care will be provided.

These classes will give you a basic understanding of the Christian faith and its expression at Faith Lutheran Church. They will prepare you for fuller participation in the work God is doing at FLC and will give you practical tools for growing spiritually and expressing your faith in daily life.

To be a "member" is to be a living, active part of the Church, the body of Christ.

Call Pastor Berkedal at the church today at 909 599-3978 or email flc@faithsd.net to find out when we are planning the next class. Come and be introduced to what God is doing through the ministry at FLC, and find your place in God's plan.
