The **purpose** of Faith Lutheran pre-school and Day Care is to provide a flexible program based upon each individual child's needs within a Christian environment. The school strives to guide each child into a more realistic concept of self and the outside world. Our goal is to help each child develop physically, mental and social well-being. Since life needs a guiding pattern, we believe that God should be the center of education.

Our fully licensed preschool offers children ages 2-6 a secure, caring, atmosphere in which young minds are encouraged to develop a sense of joy, curiosity and wonder.

Activities include art, math, science, literature, dramatic play and motor development.

HOURS: 6:30 A.M. – 6:00 P.M., MONDAY – FRIDAY, not including holidays.
