

At Faith Lutheran Church in San Dimas

Our **mission** is to introduce people to new life in Jesus Christ that grows into enthusiastic Christian living.

Our **vision** is that God is leading us toward being a regional center of faithful church development and growth. We pray that God will use us to be a model of transformational ministry in the power of the Holy Spirit that provides a beacon to other churches for what faithful and healthy ministry looks like in the 21st century. We believe that God has called us into innovation, experimentation and trust to be a place where sinful people will meet God and be healed and saved by Him.

Our **purpose** flows from our belief that God has called the Church by the Holy Spirit through the Word and sacraments to proclaim the gospel of Jesus Christ to the world in word and deed. We believe God has called us to exceptional service and growth. We will realize this purpose by God's grace.

Our **philosophy of ministry** is to be a friendly, caring church with a passion for loving Jesus that, through the power of the Holy Spirit, is open to accomplishing whatever it is God calls upon us to do. We are concerned about what is going on in our communities and the world, and we try to meet community needs and in the larger world, as we are given the resources to do so. We are committed to meeting the needs of the whole person, body, mind and spirit, but understand our primary call to be meeting spiritual needs through a personal relationship with Jesus Christ.

Come and share this mission, vision, purpose and philosophy of ministry with us to bring all people to the new life in Jesus Christ that serves others and lasts forever!
