## Things You Need to Know!

FaithKids Vacation Bible School is a week of summer fun for kids. It's a time to explore the Bible's amazing events through song, fun activities, games and crafts.

- The registration fee of \$10 per child includes snacks and supplies for the entire week, Monday—Friday.
- Children (Grades 1—5 only):
  - ◆ All Grade 1—5 children are encouraged to bring their own Bible to VBS each day. Children will use their Bibles and have an active role in the lesson time. If you choose, we can keep the Bibles at VBS during the week and return them at the end of the session. Please be sure to have your child's name written in his/her Bible.
  - ◆ Grade 1—5 children are welcome to bring friends any day of weeks 1 or 2. Friends must fill out a registration form at the Lobby Desk before proceeding to the classroom. Friends may visit the first day at "no cost". The cost will be pro-rated for additional days.
- Family Night Dates:
  - Week 1: Thursday, July 25
  - Week 2: Thursday, August 1  
7:00—8:30 pm

A special program in the Worship Center followed by activities and refreshments.  
All family and friends are invited!

## Walk-In Policy

Our first priority is to provide a safe and nurturing environment for all your children. For this reason we cannot allow "walk-in" registrations for children Ages 3 through Kindergarten during our Vacation Bible School weeks. We recognize that extra "care" is needed in our classrooms for younger children. To ensure that we are equipped to provide for and meet the needs of your children we will not accept "walk-in" registrations (Monday—Friday) during the weeks of Vacation Bible School for Ages 3—Kdg.
