## EASTER IN REVIEW

April 20, 2014

Scripture: Luke 24:13-34

This year we had over 1,000 people join us in worship on Easter Sunday. Through the variety of elements that were created many people were able to come and meet Jesus here. How often have we held on to our disappointments? That was the beauty of the Easter service, not only were people given the opportunity to meet Jesus, but they were able to visual post their disappointments, concerns, and worries that have weighed heavy on their hearts. Giving each of those to Jesus.

What a freeing experience, giving away our disappointments to Jesus, one post-it note at a time.

**Positives:**

- \*People had an opportunity to meet Jesus.
- \*People were able to post and give their troubles to Jesus.
- \*People of all age groups and walks of life were able to join their voices within the Mixed Choir.
- \*People were able to make a connection through music, drama, and participation.

**Things we learned:**

- \* Planning earlier to ensure all pieces are set to go.
- \* Consider having more rehearsals for all elements.
- \* Flexibility
- \* Consider extra communion servers as back ups.

**Mixed Choir**

What an amazing element, with people of all ages and walks of life raising their voices together in worship
