3. Motion passed, all in favor

### III. Special Issue

1. Church General Fund balance is higher than usual – usually around \$50,000 and now closer to \$90,000 due to a generous donation of approximately \$20,000
2. Need to transfer money from church General Fund to Building Fund to ensure current work phase can be concluded. Current Building Fund amount is around \$35,000.
3. **Questions?**
  - **Fred Norris** – What will the money cover? Answer – Will replenish fund after some unexpected expenses of plumbing and general contracting labor costs for Randall's crew.
  - **Alvie Sandlin** – Will current building project empty the building fund? Answer – Yes, we are expecting to use the entire building fund after the parking lot is built. We may need to transfer more money to the building fund again for other improvements.
  - **Mike Fister** – Is \$40,000 to \$50,000 in the General Fund enough? Answer – Yes, it is. A balance of around \$25,000 would be cause for concern.
  - **Dustin comment** – Missy Himan has already ordered needed furniture for King's Kids – a minimal amount – just a few things.
  - **Fred Norris** – When will the building be usable? Answer – When handrails are approved we will get a building occupancy permit.
  - **Dustin comment** – All rooms have technology built in with TVs and computers. Members are continuing to donate amounts to the building fund, just not enough to cover the recent large expenses
4. **Motion to transfer \$20,000 from the General Fund to the Building Fund and Motion to Dismiss by Pastor Dustin**
  - 1<sup>st</sup> by Mike Fister, 2<sup>nd</sup> by Shirley Denning and Ron Kastner
  - Motion passed all in favor
