Make A Difference...

For over 10 years the Farragut Church has had the privilege of ministering to families as a result of our ministry outreach called "Healing Hearts". It was a fruitful ministry which birthed many relationships through the years.

One of those relationships that has continued and is evidenced by our love and care is the Jones family, especially Tyric. Some of us continue to interact weekly with the family at Hope Central. Today with the generous help of Knoxville Christian School (KCS), Tyric has the opportunity to attend the school, tuition free. Tyric is a great young man, and not only that, a young new Christian. This is a great opportunity to make a difference for eternity helping him get a Christian education and being salt and light in his life. This opportunity affords Tyric a new perspective on life, much like that of being an exchange student.

Our role as family of faith comes in housing and transporting him to school and home. Consider the impact we have to influence and mentor to this young man.

We realize that this will require sacrifice and selflessness but what in life worth pursuing doesn't. Consider our Lord and Savior, the ultimate example of sacrifice and selflessness (Phil. 2). May we each consider how we can follow in His steps and make a difference in Tyric's life.

To help with transportation and housing, please contact DeeAnn Gionta 966-6519 or Veta Sprinkle 675-6351.
