**As a Body of believers the Farragut Church
exist to:**

Mission...

Bring Jesus to others as we grow to be like Him

Vision....

**To bring young people, age 1-35,
role models for life, love and learning—
building nonjudgemental mentoring relationships,
and designing ministries and teaching moments
that empower them to live well!**

Thank You

Thank you to everyone who donated books for the Roatan Library. We would also like to thank everyone for the coat donations for Hope Central.

Romans 12:8 "If it is to encourage, then give encouragement; if it is giving then give generously, if it is to lead do it diligently, if it is to show mercy, do it cheerfully..."

The Farragut Family is always so generous, encouraging and merciful. Thanks

Hope Central
(Inner-city Ministry)

Hope Central is impacting the community through relationships. It seeks to empower individuals and families through these relationship, events, and training opportunities. As a church we are working with Hope Central on a weekly basis on Thursday afternoons and meeting special needs as they arrive. The afterschool program consist of homework, crafts, playtime and a meal. We want to thank everyone for their support in the meals every week as well—what a blessing the food is to all the kiddos.

On **Wednesday night Feb. 11th**, at 6p.m. Tommy Driennan will be sharing with us about all things Hope Central. There will be a meal that night served by the youth.

WINTERFEST

Gatlinburg—February 20-22, 2015

Winterfest is a weekend retreat for teens that has been going on for 28 years now. This retreat is geared toward middle and high school teens.

This weekend is geared toward discipleship.

The theme is entitled—"Watch".

See Isaac for details or questions, his number is (865)719-5024

We had a great organizational meeting for the Bus Ministry this past Wednesday. Please be prayerful about how you can be involved in this ministry. More details to follow.

Make A Difference...

For over 10 years the Farragut Church has had the privilege of ministering to families as a result of our ministry outreach called "Healing Hearts". It was a fruitful ministry which birthed many relationships through the years.

One of those relationships that has continued and is evidenced by our love and care is the Jones family, especially Tyric. Some of us continue to interact weekly with the family at Hope Central. Today with the generous help of Knoxville Christian School (KCS), Tyric has the opportunity to attend the school, tuition free. Tyric is a great young man, and not only that, a young new Christian. This is a great opportunity to make a difference for eternity helping him get a Christian education and being salt and light in his life. This opportunity affords Tyric a new perspective on life, much like that of being an exchange student.

Our role as family of faith comes in housing and transporting him to school and home. Consider the impact we have to influence and mentor to this young man.

We realize that this will require sacrifice and selflessness but what in life worth pursuing doesn't. Consider our Lord and Savior, the ultimate example of sacrifice and selflessness (Phil. 2). May we each consider how we can follow in His steps and make a difference in Tyric's life.

To help with transportation and housing, please contact DeeAnn Gionta 966-6519 or Veta Sprinkle 675-6351.
