Gearing up for Ghana Fall 2015

Be praying and making plans to join us this October for our medical mission trip to the Village of Hope in Fetteh, West Africa. We solicit your prayer and participation as we gear up for this partnership. If you are interested in this ministry, we welcome you to consider joining us. The need is great and takes us all. Please let James East or David Gentry know of your interest.

Farragut Church of Christ is pleased to host a preventive health event. Life Line Screening, a leading provider of community-based preventive health screenings, will host their affordable, non-invasive and painless health screenings on 7/7/2015. Five screenings will be offered that scan for potential health problems related to: blocked arteries which is a leading cause of stroke; abdominal aortic aneurysms which can lead to a ruptured aorta; hardening of the arteries in the legs which is a strong predictor of heart disease; atrial fibrillation or irregular heart beat which is closely tied to stroke risk; and a bone density screening, for men and women, used to assess the risk of osteoporosis. Register for a Wellness Package which includes 4 vascular tests and osteoporosis screening from \$149 (\$139 with our member discount). All five screenings take 60-90 minutes to complete.

In order to register for this event and to receive a \$10 discount off any package priced above \$129, please call 1-888-653-6441 or visit www.lifelinescreening.com/community-partners.
