Life Screening—July

**Farragut Church of Christ is pleased to host a preventive health event. Life Line Screening**, a leading provider of community-based preventive health screenings, will host their affordable, non-invasive and painless health screenings on 7/7/2015. Five screenings will be offered that scan for potential health problems related to: blocked arteries which is a leading cause of stroke; abdominal aortic aneurysms which can lead to a ruptured aorta; hardening of the arteries in the legs which is a strong predictor of heart disease; atrial fibrillation or irregular heart beat which is closely tied to stroke risk; and a bone density screening, for men and women, used to assess the risk of osteoporosis. Register for a Wellness Package which includes 4 vascular tests and osteoporosis screening from \$149 (\$139 with our member discount). All five screenings take 60-90 minutes to complete. **In order to register for this event and to receive a \$10 discount off any package priced above \$129, please call 1-888-653-6441 or visit [www.lifelinescreening.com/community-partners](http://www.lifelinescreening.com/community-partners).**
