APRIL 24, 2011

We're glad you're here!

We'd like to get to know you. There is a **Connection Card** in the seat in front of you to get you started. Please use the card to communicate your interests, praise and prayer requests, or contact information (especially if you're new here) with our staff. Drop it in the offering basket, hand it to an usher, or bring it by the Connection Corner. Feel free to call our office staff for any reason (440.543.5643). The **Connection Corner is in the Atrium** (on the right as you leave); an Elder and his wife are available there to meet you, pray with you, and/or answer your questions.

Devices to help the hearing impaired are available at the sound booth in the back of the Worship Center.

A Note From Pastor Dave...

How did we flip-flop this? Don't get me wrong, I love Christmas and all that it means, but we are so much more enthralled by the manger than we are the empty tomb. Granted—no manger, no empty tomb—but there is nothing more earth-shattering, more paradigm-altering, more hope-giving than Easter!! I hope you have prepared your souls well for this morning so that you may worship the risen Christ with undiluted joy!! I pray that your understanding of the glory of God because of the empty tomb will be broadened today and that you may rejoice in a new reality and live in it every day from here on out!!

David Lynden

Every Sunday morning during the 9AM and the 10:45AM worship services, members of our church family meet to **pray** for those in the Worship Center listening to the message and for the prayer requests on the connection cards gathered during the offering. If you would like to take part in this ministry, come to the church office and follow the signs to the Prayer Room. Prepare to be blessed by God’s loving kindness as you pray and see His hand moving among our church family.

Study Questions

- Study Questions for May 1**
1. Read Joshua 24-Judges 2 five times this week.
 2. What kind of commitment does Joshua make in Joshua 24:15 for him and his family?
 3. Read Judges 2:6-10. What do you think went wrong from the generation of Joshua to the immediate generation after his death? What was there while Joshua was alive that wasn’t there after Joshua’s death? What are the warnings to us?
 4. In what ways do we as families and a community-of-faith need to cultivate and then pass along our faith?
 5. What is currently absent from the way we disciple our families that could lead to true spiritual ruin? Why do you say that?
