Abilene Christian University Press presents
**THE STORY OF
CHURCHES OF
CHRIST**

Many members of the Church of Christ don't know the full story of our beginning. We tend to tell of our origin at Pentecost, but leave out the many other complex issues that shaped our fellowship over the years.

Join us as we rediscover our story.

The Gospel of
MARK
The Action-Packed Gospel

Although we often focus on doctrine as adults, it's well-served to spend more time with Jesus, so we can tackle the doctrine more from a Jesus-point-of-view. Join us in this study of Jesus from Mark's point of view.
