

Mini-SPY

June 8-10

Consider yourself invited! This summer we are offering a mission opportunity for rising 1st-5th graders called **Mini-SPY**. It might be called mini, but it's going to be HUGE for our kids as they have an opportunity to Reach into the New River Valley in service.

Mini-SPY will offer our kids and their parents a chance to work with the Fieldstone Community for a two day Project SPY experience! This Camp will offer mission opportunities, worship, crafts, games, fellowship and much more.

We believe that God can use even the youngest of children to show the NRV the hands and feet of Jesus.

Mark your calendar NOW for June 8-10 and join your child in mission as we ROCK for Jesus!
