

Consider yourself invited! This is our 3rd summer of Mini-SPY, which is a mission opportunity for rising K-5th graders. It might be called mini, but it's going to be HUGE for our kids as they have an opportunity to Reach into the New River Valley through service.

Mini-SPY will offer our kids a chance to work with the SPY Staff for a 3 day Project SPY experience! This Camp will offer mission opportunities, worship, crafts, games, fellowship and much more. We believe that God can use even the youngest of children to show the NRV the hands and feet of Jesus.

Lori Smith
Director of Children
and Family Ministries

Mark your calendar NOW for June 7-9 and join your child in mission as we ROCK for Jesus!

Fieldstone,

A Place For You to...
