AUTUMN 2016

Can you believe autumn is almost here? As kids have made their way back to school and temperatures finally begin to cool down, the leaves will be changing colors before we know it. I always anticipate this season with great excitement. The weather is beautiful, football is back (go Patriots!), and pumpkin spice everything is finally available! What we are

most excited about is what God is doing in kid's ministry here at Pine Bluff First Assembly. We have just started a 21 week series at Destiny Kid's called "**Answering Difficult Bible Questions.**" Each week we will explore a new question that students have no doubt pondered. We will dig deep into God's word to answer these questions and help our kids

reach a better understanding of the awesome God we serve!

Please, help us reach **200 followers** on our Destiny Kid's Facebook page! If you haven't already, like our page for regular updates on what is happening in children's ministry here at Pine Bluff First Assembly.

Is your child involved in sports, dance, or any other activities? If so, we want to know! Please, provide us with a schedule of any games, recitals, etc. that your children are involved in and we will make every effort to be there to support. **Email schedules to pastorbryan@pbfirst.com.**

If your child needs prayer, is having surgery, or has any other ministry needs we are available 24/7. You may call or text Pastor Bryan at 978-482-PBFK (7235).

Don't forget! BGMC Sunday is every second Sunday here at Pine Bluff First Assembly. Our goal for 2016 is \$5,000. Please, help your kids remember to bring their buddy barrels.
