## AIM/MISSIONS TRIP TO PANAMA

This summer, I had the privilege of traveling to Panama City, Panama with our District Youth Director, Steve Mason; youth pastors from around the state, and nearly 50 teenagers for an amazing 8-day missions trip. During our visit, we had many opportunities to share the gospel. We visited an indigenous village as well as orphanages. The team also had the opportunity to evangelize on the streets of the city. On the last day of our trip, we were invited into the schools and were able to share the gospel with hundreds of students.

In all, we ministered to over 5,800 people and over 2,200 people dedicated their lives to Christ! It was great to see teenagers gain a passion for missions that will last a lifetime!

## G5 EXPERIENCE CONFERENCE

Last month, Terra and I hosted G5 Experience which was a one day conference focused on encouraging and equipping over 320 youth leaders, pastors, students, and parents who wanted to know how to better reach local schools. G5 is all about growing in the 5 habits of a campus missionary. PRAY, LIVE, TELL, SERVE, and GIVE.

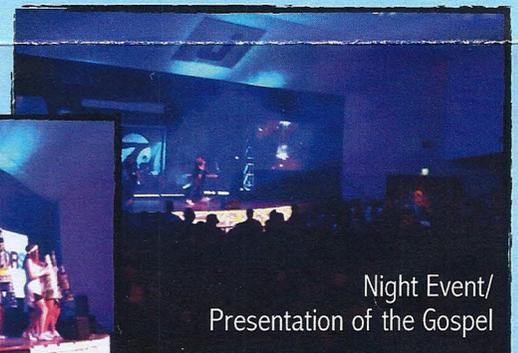

We had amazing times of worship and inspiration, as well as practical training and resource sessions to help make the campus our mission field. Rodney Goodlett, Kentucky Youth Alive Missionary, did a great job as our guest speaker!

The Seven Project we just completed in Jackson went great! In 2 days, we were able to minister in 7 school assemblies at 4 schools, having the opportunity to speak to over 1,700 students. On September 11, 650 students came back to hear the message of Jesus Christ and over 200 came forward for salvation.
