STATEWIDE SCHOOL ASSEMBLY TOUR

This fall we were able to host world renowned school assembly speaker, Reggie Dabbs, for one week. During that time we visited five cities in Alabama and spoke to over 14,000 students. Here are just a few pictures of Reggie bringing a message of hope during the school assemblies.

G5 CONFERENCE

In August, Terra and I hosted G5 Conference. This was a one day conference focused on encouraging and equipping 400 students, youth leaders and pastors who wanted to know how to better reach local schools. Kyle Embry, Youth Alive Missionary from the North Texas District, did a fantastic job as our guest speaker. Through combined general sessions & breakout sessions students were trained on how to start conversations to share their faith, starting campus clubs, being missions minded, and so much more. It was a great day!

SHOW YOUR COLORS

Our 7 Project team spent two days in Jackson, AL for their annual Show Your Colors event. We spoke to three schools and 1,000 students in school assemblies. Over 350 students came to their night event where 60 students prayed the prayer of salvation.
