

On behalf of the Chi Alpha Committee, we want to give you an update on what God is doing in Chi Alpha across Alabama. He is doing some tremendous things at the University of Montevallo, University of Alabama, and Troy University. We also want to update you on the University of South Alabama and Mason Corwin.

Troy University has been approved for CMIT HUB (Campus Missionary In Training) and will be welcoming 5 CMIT students in the 2018-2019 school year. We are grateful for the leadership of Justin and Joy Felch and their team on that campus. The **University of Alabama** has seen some incredible growth and is now meeting in the Ferguson Theater on campus to accommodate that growth. They are also applying to become a CMIT campus and are expecting to welcome future students in the fall of 2019. Josh and Katie Ellen and their team are doing an incredible job. The **University of Montevallo** is also doing better this past school year and growing under the lay leadership of Andrew and Elicia Hicks.

We are excited about Craig and April Woodham have also returned to Alabama to re-pioneer Chi Alpha at **Auburn University**. They have recruited a team of 4 missionary associates to help them plant this ministry. They are currently itinerating to raise funds to return to the campus full time in the Spring of 2019 or sooner as their budget is raised. IN the meantime, they will be hosting Bible studies in their home and networking with students.

We are in transition at the **University of South Alabama**. Mason and April Corwin has resigned as campus Directors and have transferred to the Michigan District to re-pioneer Chi Alpha at Michigan State University. Please be in prayer for them and the USA Chi Alpha that is student led at this time.

Thank you for your faithful monthly support for Mason and April. Some have asked about continuing to support them. Of course, each of our churches can support missionaries from all of our Districts/Networks. I am certain that Mason would desire you to continue to support them as they transition in ministry. They would be happy to speak to you about what they are now doing.

However, if you are looking to support other Chi Alpha missionaries in Alabama, please consider diverting your funds to them to help us continue to grow Chi Alpha.

Craig and April Woodham 270054

Please continue to pray for Chi Alpha in our District. We have an aggressive vision to see this ministry multiply to other campuses across the state. We are also looking for healthy churches who would want to adopt a campus to give support and help nurture a student led ministry. Also, please let your students who will be attending these schools know about Chi Alpha. Our Youth Department and Missions Department can help connect you to these ministries.

Blessings!
