### ***Planet Kids***

*Children in worship at Planet Kids*

We are thrilled to be on the last few weeks of our itineration cycle stateside. We anticipate returning full time to Guatemala the first week of December 2017.

Even as we travel the US giving our mission's reports, Planet Kids continues weekly with directors Humberto and Lorena. Adela is helping us prepare for the Planet Kids Christmas event.

In 2018 we look forward to ...

- 100+ evangelism outreaches in public schools
- Opening a second Sunday feeding program
- Increasing and expanding Planet Kids efforts.
- Developing and distribution of leadership resources
- Youth leadership training for children/youth workers
- Hosting a dozen ministry teams

### ***Praying for a Bus***

*We are seriously investigating the possibility to purchase desperately needed bus for Planet Kids. We are looking for something like a Toyota Coaster or a Hyundai County Bus because of parking, licensing, and other issues.*

### ***Dawn & Jon's Wedding***

*February 2, we celebrated the marriage of our daughter Dawn to Jonathan Coad. They are now children's pastors in Jacksonville, Florida.*

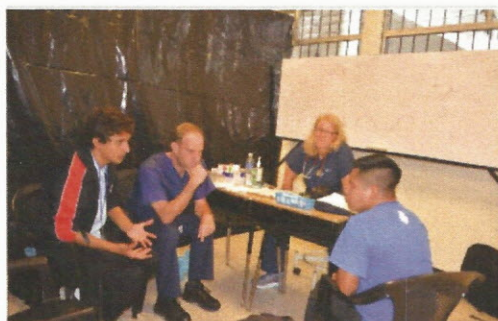

## Saying Goodbye

Soon we look to return to Guatemala. We're already thinking about the coming goodbyes to our precious family. We will cry. Why do we do it? Recently I read a mission's poster with the following ...

**Mis.sion.ary**, (noun) someone who leaves their family for a short time so that others may be with their families for Eternity.

*AMT Medical Clinic*

*AMT School Outreach*

*AMT Construction Project*

## One Way Guatemala

### Mission's Summit

It was a joy to be a part of the World Mission's Summit in Houston with more than 6150 registrants. We witnessed thousands of university students commit to giving at least one year to missions.

### Church Mission's Convention

By the time this newsletter is in your hands we will have participated in at least six mission's conventions. Thank you to all the churches who work so hard on behalf of World Missions.

### Speed the Light

We join Rodney Goodlett, DYD of Kentucky in expecting a banner year for Speed the Light. We are deeply grateful for students and leaders who sacrifice for missionaries. We enjoyed the chance to connect for this year's tour through Kentucky.

## Schedule Overview

### 2017

### 2018-2019 Short-Term Teams

There are still limited dates available for scheduling a short-term mission's teams for 2018. We are also scheduling for 2019.

### Support

Most people support us through their local church, however some have asked how to do so personally. See our link on our web site at:

<http://www.iwill.us/financial.html>
