

David & Beth Grant

JULY 2015

GOD IS FAITHFUL

We are rejoicing in the Lord and thrilled to receive the news from India this week that the charges against David have been dropped. Eighteen months ago, David was arrested in India and held in custody for 8 days. He was granted unconditional bail with the pledge that he would return for trial. We are deeply indebted to the church members in India who pledged all their properties on David's behalf to secure bail.

The prayers of support of our leadership, the church in India, and friends at home have been overwhelming. Thank you for keeping information off the Internet and social media as this unfolded. During this same time, God has miraculously continued to support the needs for Project Rescue ministries.

TWO NEW ADDITIONS

We are also celebrating the birth of granddaughters Madison Jade Barratt in April and Ella Grace Shults in June. They joined two-year old Judah Shults and two-year old Gemma Barratt. Rebecca and Tyler return to India in late August, and Jonathan and Jennifer continue to serve with us with Project Rescue.

COURAGEOUS COMPASSION

Beth continues to serve as Executive Presbyter representing over 7,000 women ministers in the Assemblies of God. She travels extensively, speaking and teaching on behalf of missions, Project Rescue and women in ministry. Beth's latest book, *Courageous Compassion*, is available at Amazon.com, on Kindle, or from My Healthy Church. A free downloadable chapter is available on her website, bgrant.com.

Your friendship and prayers have meant more to us than words can express!
