

SPRING 2012

REALife

Alabama District Children's Missionaries
David and Pam Wimpee

Overview

Our first year as missionaries concludes at the end of District Council. It was an exciting time for us as many of you partnered with us to reach the children of Alabama through outreach events and worker training. Consider the following:

- 18 Sunday Services
- 3 Retreats
- 1 Conference
- 2 Major BGMC Fundraisers
- 5 Kid's Crusades
- 2 One Day Outreach Services
- 6 Churches for Worker Training
- 1 Missions Trip to Togo, Africa
- 3 Weeks at AL District Kid's Camp
- 2 Missions Conventions
- 1 Week of General Council BGMC
- 1 VBS
- 2 Baby Dedications

From Alabama to Africa we saw children discover the real life found only in Jesus Christ. To Him be the glory.

It's a New Season March – April - May

One of the pastors we have been working with this year is Pastor Darryl Ballew and the children's staff at New Season Assembly in Southside, AL. During this time we have evaluated the overall children's program, done worker training, modeled a service, and spent several weeks as part of their team building the team base. We will conclude with the children and staff leading a service at the end of April.

What's the Buzz?

"In our service we were elevated, encouraged, and entertained,"

Bud Weed, Radiant Life, Albertville, AL.

"As a new church, we had no children's ministry. Pastor Wimpee helped us with ideas and training that has helped us get started reaching youth and children. We endorse REALife Ministry."

Melvin Crook, Living Waters, Saks, AL.

Having Pastor Wimpee working with our children's workers has been one of the most rewarding endeavors in our ministry. His valuable experience and his love for children have made all the difference to our church. I would highly recommend David to anyone who needs direction, guidance, or structure in the children's department.

Darryl Ballew, New Season AG, Southside, AL.
