

Happy New Year!!

2018 is here and the activity has started. We are praying for you and God's peace and protection over your life and family. God is so faithful, as we learn to trust Him; we can rest in perfect peace.

We have been very busy as well. We have made trips to work with the national Venezuelan missionaries in Panama, Peru, Morocco, Ireland, Spain and Germany. They are doing great things for the kingdom of God. In December, after almost 2 years, we were able to return to Venezuela to be with Samuels House and Destiny churches. What a thrill to see how they all continue to move forward in the midst of a crisis.

SAMUELS HOUSE

One of the biggest challenges in Venezuela is finding food. At Samuels House, we are responsible for feeding approx. 40 people every day. That requires a lot of food. God has been so faithful in helping us find food and getting it to the children's home. Also, CONVOY OF HOPE is helping with food each month. We use their food to feed our children's home but also for outreaches in public schools and communities.

We need your help. Would you consider giving an offering to help buy food for Samuels House?

Last fall we received 9 new children at Samuels House. What a joy to see them come into such love and security. All of our current children accepted them and helped make them feel welcome.

Christmas was a special time, thanks to special offerings given all of our children, staff and workers along with their families received a gift, meals and Christmas parties. One of the new children was so excited and overwhelmed and told Jazmin, our director, "I have never had a Christmas gift before. This is the best Christmas ever."

RAISING UP WORLD CHANGERS

Joshua is finishing up college at a community college and has a 3.87 grade average. He will transfer to SAGU which is a college to train ministers in Sept. of this year.

Jose Gregorio (Brayan) and Katherine are both attending a Bible School in Argentina. Just the tuition and room and board is \$5,000 each per year. We are praying for people to help us with this cost.

Samuels House is committed to the vision that God gave us. Raise up world changers. It is more than just food or a house to live in; it is preparing them and then sending them out to change the world with the love of God. We will be sharing more about this later.

VENEZUELA

Please continue to pray for the nation of Venezuela. So much hurt, emotional pain, hunger, deaths. They need Jesus to give them hope.
