

WINTER 2016

the **SMOCKS** *Jason, Elizabeth, Hannah, & Nathan* SERVING IN KOREA

Once again we were a part of an English Unification Camp here in Seoul. This time Elizabeth was asked to write the Bible lessons and to lead the Bible Workshops. It was an amazing experience for her. While at the camp, Elizabeth witnessed many NKs come to Lord. One special encounter Elizabeth had was explaining and sharing God's love to a young 15 year NK girl who has been hurt by the world, her family, and countless others.

Hearing stories of those who have escaped and what NK is really like never leaves us untouched. The desire to do more is always present.

Thanksgiving

We just wanted to personally say thank you for the incredible love and support you have shown our family. Life is an adventure and we are glad that we have been able to share it with all of you. The Body of Christ is the most amazing thing to be a part of.

Phillipians 1:3 says, "Every time I think of you, I give thanks to my God."
