

Hello Friends & Family,

Greetings from Dodoma, Tanzania!

We are in the process of packing up our house in a container and moving to Dar es Salaam this week after having been based in Dodoma for the past 16 years.

Just before returning to Dodoma last week, we finished up 4.5 months of Hindi language school in Mussoorie, India. While we were there, our children made a fun Christmas video of our whole family and we would like to share it with you.

So from our family to yours.....MERRY CHRISTMAS!
