

Jim and Linda Wellborn

Building for Life!

New way to communicate.

Dear Greg,

A New Way to Communicate

Linda and I are grateful for your prayer and financial support. I am excited to launch a new communication tool to share updates on our new missions assignment serving with [Builders International](#).

I currently use my [blog](#) to share updates, and will now begin sending you an update at the beginning of each month from this [blog](#).

If I can help you in any way, [please let me know!](#)

Building for Life,
Jim

Would you financially partner with us today as we work to improve the lives of others?

Check out some of the project opportunities you can be a part of!

Builders International is a non-profit construction organization that serves developing nations by providing infrastructure that improves life. We are missionaries serving with Assemblies of God World Missions.
