

Jon, Dede, Sarah Nadine & James McCluey Missionaries to Colombia

Winter 2018 Newsletter

These past few months have been a blur. God blessed us on our trips to Indiana, Wisconsin and Missouri with new friends and financial partners. With your help we have raised 70% of our budget and we look forward to finishing strong in mid-2018. We are excited to report we have all of our Sunday morning services booked until mid May, however we still have quite a few Sunday Night and Wed. night dates available. The Lord has used the wonderful people we have met during our travels to encourage our hearts so much!! We have met many young men and women who feel a stirring in their hearts to work with the Deaf community both here in The United States and in other countries. God is still calling and equipping people to share the Good News of Jesus until He returns!

We will be in Alabama, Missouri and Florida the next couple months speaking at churches and meeting with individuals to share our passion for Deaf Missions in South America. We would love to have coffee or lunch with you when we are in your area. If you have time to meet with us, our contact information is below. We would love to see you!

We want to thank you for being part of His team and plan to reach the Deaf. Please pray that God would send prayer partners and monthly financial donors to help us get to Colombia. If you would like to partner with us in monthly support, we put our giving link at the bottom of this page. No amount of prayer or giving is too small. I love the Hellen Keller quote, "Alone we can do so little; Together we can do so much". Dede and I want to thank you again for your support, encouragement, and prayer, because without you we could not go and share the gospel as missionaries to those who have never heard.

Deaf Facts

Sign Language is not universal. There are actually over 400 different official sign languages around the world. There is a tremendous need for more missionaries to the Deaf.

Prayer Needs

For God to call more missionaries to this overlooked mission field.

Please keep our family and specifically our children in your prayers. The missionary life is filled with change.

For favor and new financial and prayer partnerships while we itinerate.
