

Jon, Dede, Sarah Nadine & James McCluey Missionaries to Colombia

Summer 2018 Newsletter

We finally have our departure date set for July 30th! We were able to raise 30% of our budget in the last 60 days with your help! I traveled almost 7,000 miles in the month of April visiting some incredible pastors, missions directors and friends in Missouri, Mississippi, Florida, Kentucky, Indian and Ohio. We were overwhelmed at God's blessing at the Alabama District Council where we raised over \$900 in monthly support and received a check from the Alabama District Youth for our Speed the Light missionary vehicle! So not only do we get to leave in July, but we will have a STL Vehicle when we arrive in Colombia! God is amazing and right on time! We will finish out our itineration raising added funds, attending an international Deaf retreat in July, and preparing our belongings to leave at the end of July.

We could never properly express our thanks and gratitude for all you have done for us! We are able to make His name known among this overlooked and forgotten people group, because of you! Please continue to pray that God would send prayer partners and monthly financial donors. If you would like to partner with us in monthly support or a one time donation, we put our giving link at the bottom of this page. Finally, I love the African proverb that says, "If you want to go quickly, go alone. If you want to go far, go together." We are going to go far because we are going with each and every one of you. Thank you for embarking on this journey with us!
