

KELLIE NORRIS

Career MISSIONARY ASSOCIATE TO COSTA RICA

I arrived in Costa Rica on August 19 and hit the ground running! Being here has made me even more sure that this is where God wants me! I have loved being able to hang out and get to know the Chicas de Promesa! We have made crafts, eaten snacks, talked about Jesus, and laughed a lot! I also helped host an incredible team from North Carolina, and I got to see lots of different aspects of our ministry! It has been an awesome experience soaking up as much as I can of life here in Costa Rica.

I am excited to begin itinerating to go back and begin my next term! I would love to come share with you or your church what the Lord is doing in me and in Costa Rica. Because of the change of country and a new status, my budget has increased. I am in need of an additional \$2,300 in monthly pledges. There is a link below to begin supporting me in this next step of my journey. I would love to have you partner with me!

Thank you to everyone who is behind me in prayer and monthly giving. Transition isn't always easy, and it always helps to know you have people who love you and are praying for you! I couldn't be doing what I am doing without you! I love you all! Pura Vida!
