

Dear Friends.

Happy New Year! What an amazing year 2014 has been. On this first day of 2015 we have spent time to reflect on the year behind and can without a doubt say that it has been an amazing year of IMPACT!

We believe that there is POWER in the name of JESUS and that it is the power to change lives for eternity. We love how God is moving in Austria. We love Missions and we love knowing that in 2014 lives have been impacted by His power! They are forever changed by Gods redemption.

Attached is a link to a video we uploaded on Facebook. Hope it blesses you to visually see the lives you have been a part of this past year. Thank you. Please share it with those in your Church. You can view it even if you do not have a Facebook
