Your Missionaries to the University of South Alabama-Mason and April

Summertime servant leadership development!

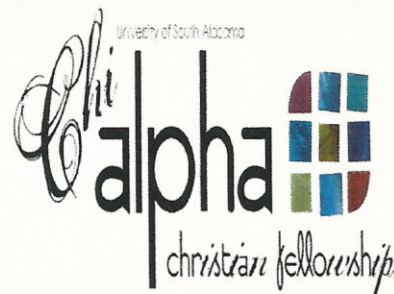

Summer is in full swing here at Chi Alpha South Alabama. We are excited to announce that we have 6 new staff members that joined our team in June. We also are thankful as we are consistently seeing people filled with the Holy Spirit, saved, delivered, mentored and ministries established. God is moving in a mighty way and we are so thankful. The Bible clearly teaches

us "But thanks be to God who always gives us the victory through our Lord Jesus Christ" (1 Corinthians 15:57). Many times the enemy will try to offend, frustrate and or give

us a bad attitude. We need to remember all of these tests and trials we are going through, Christ already went through. Please pray for our returning and new students to understand God's will and walk in His ways. August 1st we just celebrated our 15th year as a Campus Pastors at the University of South Alabama. We are expecting God to do great things as He finishes the work He began in and through our lives.
