

December 2016

We hope this update finds you doing well. It's hard to believe that 2016 is nearing to a close. It has truly been an incredible year of God's favor and blessing over our ministry. Thank-you for being apart of this great work in Panama.

As Christmas approaches, we have been pondering the news of the greatest birth in history. Today in Bethlehem, in the city of David the Savior, yes the Messiah the Lord has been born. Luke 2:11

We believe the Christmas season, (though obviously not the only time), is a great time to remember Jesus' birth, reflect upon his life and be refreshed in our relationship with Christ. Merry Christmas and Happy New Year from our family to yours!

We are happy to report 10 new baptisms of people who recently gave their lives to Jesus Christ. It was a powerful service as many shared of God's work and transformation in their life.

Pictured to the right is one of our AG Churches where we finished adding a sidewalk to the church so the kids would not get muddy from the rain when they walked around the church to go to their Sunday school classes.

We conducted a Christmas Outreach in an area called "Los Mortables" meaning Mortals. The lady who donated the land for the church passed away and was never able to see the church constructed. She wrote a letter to the Lord before the church was ever built expressing her desire to see a children's Christmas program done for the kids in her community. God answered her prayer and fulfilled His promise. A church was built and a Christmas program that centered on Christ was accomplished. It had never been done in that community before.

These 2 Indians boys pictured with Amy walk an hour to get to church every Sunday. They were so thrilled to receive these lightsabers as their Christmas gift.
