

March 2017

Greetings from Panama! We hope this update finds you doing well! Amy, Ava, Isabella and I would like to thank-you for your partnership in prayer and financial support, we could not continue in this great work without you!

We also want to say thank-you for the email, cards and letters we receive from you. Our family is always encouraged and strengthened as we read your kind words. There is no denying that a good word makes people glad. (Proverbs 12:25)

Fun Fact: What the does the word Panama mean? There are several theories but the most common answer is an "abundance of fish, butterflies and trees." Pictured below is a common plate, fried fish whole, fried plantains & vegetables.

In February, we participated in the Ngobe Bugle Indian Conference. It was estimated that 4 - 5,000 Indigenous Indians were in attendance. This conference provides morning and evening services for kids and adults, breakout classes, baptisms, food distribution, medical, dental and eye care and other special activities. Many of these Indians have to walk and some will journey for days to get to the conference. It is an amazing time of God encounters and life transformation that takes place in so many lives.

Operation Resource is in full swing. We have a goal this new term to resource 100 Indigenous Indian Pastors with a 10-book pastoral library that will help them in sermon preparation, biblical education and spiritual growth. Pictured to right is a couple of Pastors who were learning how to use the Strong's Concordance. 25 Pastors have been resourced already and we look forward to ordering the next 25 sets.

Prayer Request: Please pray that God would open a door and give us direction on where to move Panama International Church. We need a new location to accommodate growth and use of facilities.

June 2017

We hope this update finds you doing well. It is always with great joy and much excitement that we are able to share some of things that God is doing in Panama.

In the words of the apostle Paul, "we always thank God for all of you and continually mention you in our prayers..." We truly understand how important your partnership is for us and this great work. Lives are being changed together and God's kingdom is being advanced triumphantly!

Prayer Requests: We are still looking for a new building for our church and we need God to do a miracle. We have an upcoming evangelistic worship night in September at a local hotel. Pray for God's favor and salvations!

We conducted an evangelistic outreach at a local park for kids. It was so much fun! We invited kids, played games and shared the good news about Jesus Christ. It was such a blessing to see the kids accept Christ as their Lord and Savior!

Metro Amigos is an orphanage that meets the needs of many kids who have been abused and abandoned. A year ago their administration building was invested with pigeons and no longer habitable. The government said they would not help them but God said he would. Today we are installing a new ceiling in the entire building.

The Assemblies of God in Panama is celebrating 50 wonderful years of ministry. Pictured to the right is David Godwin, pioneer and church planter of the Panama A/G, as well as our only national superintendent David Lowell.

Amy is pictured to the right doing an activity with a little boy from a local orphanage. The lesson was on the parable of the lost sheep. Afterwards, each child colored a sheep and glued cotton balls on them. They got more glue on them than the sheep!
