**Our local fruit market in Panama. Pineapple smoothies anyone?**

Greetings from the Lugo family! We always want to begin by saying thank you for your faithful prayers and support. Our family would not be able to do what we do without you!

This quarter has been a busy time for both our family and church family. Paint Church hosted a local outreach in the heart of the city, where we were able to share the love of Christ with hundreds of people. We handed out water bottles, had a time of praise and worship, and prayed for people's needs. Also, Paint Church went on their third missions trip outside of the country. This year, we went to the country of El Salvador and worked with our AGWM colleagues Kenton and Eunice Moody. Our team was able to minister in their church, school, and building houses in their local community. Panama is not only a place to do missions, but its a country where we can send people out to do missions. Thank you for those that prayed with us for our first ladies conference. Over 50 ladies participated and we had powerful time in the altars after each session. Ladies were empowered, filled and transformed. We have already started planning for 2019!

In June, our family hosted the Alabama AIM team. Through this wonderful team, we were able to share the Gospel with literally thousands of people. They went into public and private schools, churches, an orphanage and even an island where an indigenous group of Kuna Indians live. Thank you Alabama AIM for investing in Panama. It is such a privilege and honor for us to be your missionaries here!
