

Merry Christmas from the Grays

## Joyous Christmas Greetings!

"And an angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were filled with great fear. And the angel said to them, "Fear not, for behold, I bring you good news of **great joy** that will be for all the people. For unto you is born this day in the city of David a Savior, who is Christ the Lord." - Luke 2:9-11

---

We hope and pray that this Christmas you all are truly blessed and are having a joyous Jesus filled holiday! Merry Christmas from our family, and a bright and blessed New Year!

## What We Are Busy Doing

We have had a great time this December ministering in two different churches. We spent one Sunday morning at Lake City Assembly of God in Guntersville, AL. We were blessed to be able to share the vision of Chi Alpha - JSU with the congregation and two families decided to partner with us financially and the church congregation prayed for us and took up an offering that really helped us to meet some needs. Thank you Pastor Gary and Lake City!

We were also able to fill in for a week at First Assembly in Monroeville, AL while Lawana's parents were in Indiana visiting her sister's family. We had a great time meeting with and ministering to the congregation and while we were there one young man made the decision to place his trust in Jesus! Praise God! The church also took up an offering for us which was another great blessing. Thanks to Pastor Lunsford who trusted us with the care of his flock for a week. We were glad to do it.

Our application process for U.S. Missions is finally complete and we are looking forward to completing our national appointment process in the spring.

## Coming Soon

2014 is right around the corner and we are looking forward to connecting with more pastors and churches in the New Year as we continue to seek our full budget. We are still in the early stages having raised about 20% of our total budget. Please pray that churches and individuals will continue to join us to see Jesus transform the university, the marketplace, and the world!
