Her name is Liuda.

When she was born, at first all was normal: a beautiful baby girl, a mom, dad, and siblings... what wrong could come to this beautiful little baby?

She was deaf.

Not long after her birth, Liuda was placed in an orphanage. Some years later, a burglar came

into her parent's home, set it on fire, and all her family were lost in the blaze including her little baby brother.. Liuda was now deaf and orphaned.

In Moldova, there is one group of people who are looked down upon more than the orphan... the orphan who can't hear or speak. With no one in the orphanage who cared or was qualified for her care, Liuda languished in loneliness and silence.

Liuda

Years ago we met a wonderful couple, Liuda and Eugen, they have been part of our family for many years as we worked in Moldova. Eugen is also deaf.

Eugen has been involved with the deaf community in Moldova for many years. He has had an unfulfilled vision: reaching these unwanted, unloved kids for Jesus. This week we took a crazy step of faith...

We opened a home for deaf girls!

Eugen and Liuda, house parents for the Orphans Hands Home for the deaf.

As far as we know, it is the first of its kind in the country. Six girls are now in our new home, including precious Liuda. In getting to know Liuda, we asked her to tell us her dream for her life, and at the age of nineteen, she dreams of learning to read and write.

Some have never heard His Name. We need a miracle... Our heart is bigger than our wallet, but not nearly as big as the heart of our God. Will you please pray about giving a special gift to establish this brand new home and ministry? Each girl needs someone to sponsor them. Liuda and Eugen, the house parents, also need sponsors. They believe so much in the Orphans Hands that they joined this ministry without guarantee or promise of income. God will prove Himself faithful.

Help us save and transform four girls who have never known, or heard, the Love of God. We hope to expand as the Lord provides, YOU have the power to make a miracle happen!
