ASSEMBLIES OF GOD WORLD MISSIONS

The Ignite youth and young adult conference set young people on fire to pursue His purpose in their lives! Grateful to teams from Colorado Christian University, several from Michigan and Kansas who helped us reach people from over 50 nations in multiple events, with the Gospel! Dozens saved! Filled with His Holy Spirit! Encountering His love for the world and reaching the unreached!

Our Kids English Summer Camp saw over 40 salvations, fed over 150 kids and workers every day that week and reached several Muslim and Hindu families this year!

Rick is recovering from his fall and several rib fractures. God is faithful! Our beautiful community of Christ followers celebrated our 40th Wedding Anniversary with vow renewal ceremony and a beautiful lunch and party afterwards! Many comments on the impact of seeing a marriage survive and thrive for 40 years! God's abundant grace and our dependence on Him are key!

Thank you Life Changers Team who pray, support, give and engage in the work of the ministry happening here in Rome, Italy! We love you and pray you are blessed to be Courageous for Christ! Champions rise!

Thank you! Your giving and support is changing lives and families!
