

THE JORDANS

One year

Greetings from Colombia! As we write you it is hard to believe that we have almost reached the one year mark since our return to Colombia. In this short time God has done some incredible things, from opening the doors to reach several new indigenous communities to allowing us to help train the Colombian missionaries who will live among these tribes. God's also allowed us to help two church plants in the challenging cities of Alcalá and Cartago.

WHERE HONOR IS DUE

As we take the time to honor God for what He is doing here in Colombia we must also thank you for your participation in God's mission. Though He calls us all to participate in one way or another in reaching our world, he leaves the decision in our hands.

Thank you for saying "yes," we know you have heard it from us before, but please know that your sacrifice does not go unnoticed.

God Bless!

Ryan, Caitlyn, Sibila, & Crews

Missionary Training

As you know, this term we moved from the capital of Bogotá to the city of Armenia. This change was so that we would be able to take on the responsibility as directors for our Missionary training institution (CEDI). We had a great group of students in 2011, with some

graduates already taking the steps towards full-time missionary service.

Our new school year begins this week and we are awaiting another great group of missionary candidates.

ROSEMBERG is one of our 2011 graduates who is preparing to go as a missionary to work with an indigenous tribe here in Colombia. The tribe has been completely closed to not only christianity but to all outsiders.

URGENT NEED: As many of our colombian missionaries make great sacrifices to come and study we try to find "half-scholarships" to help subsidize the cost of tuition. We are currently in need of 10 half-scholarships of approximately \$350 dollars. With classes beginning this week we present this need to those of you who may be in position to help these missionaries. Thank you for your consideration!

Email us or Just make a note with your monthly contribution and AGWM will designate these funds in our account. Thank you!
