

30 Years of Missionary Service with AGWM

In the month of April, Steve and I celebrated 30 years as Assemblies of God World missionaries (AGWM), formerly the Division of Foreign Missions (DFM). When we received our approval, we had been married almost 3 years and were 4 months away from the birth of our first-born, Nathan.

Through our Facebook page, StevenTece in Spain, we made references to people, places and events along with pictures to express our appreciation. The Grand Finale entry was of a special video our son, Matt, made for us. Here's the link: <http://s1.ag.org/30years>. We hope you will watch it and go down "memory lane" with us.

This pledge by our home church, Evangel in Montgomery, was one of our first pledges.
