

The Jones Journey

Summer 2018

100% Monthly Support Raised!

Marcia and I want to tell each one of you THANK YOU for your prayers and for investing in boys and girls lives. We are excited to announce we are fully funded US Missionaries! Jesus has blown us away the last two months. We raised almost 20% of our budget since the first of April. That reflects on people like you who have come alongside of us and prayed that God would open the doors He wants us to walk through and your generous financial support.

YOUR GREATNESS
IS NOT WHAT YOU HAVE,
IT'S WHAT YOU GIVE.

The Spring

We have been very busy through the spring and seeing God do some incredible things in peoples lives! Over the past 4 months, the Lord has open doors for us to do 11 Family or Kids Sunday Services, 11 Children Leaders Training Sessions, 2 District Councils (Alabama and Tennessee) and 4 multiple night Kids Crusades. We also got to celebrate with Haley, our daughter, as she graduated from Southeastern University in Lakeland FL.

The Summer

We are looking forward to the summer and believing God to show up and change lives as we travel across the Southeast with our NXTGEN interns. This year we have 6 students traveling with us from different churches and states. We have **Sege Bayer** from Christian Life Fellowship in Calera AL, **Sara Curren** from New Life AG in Westover AL, **Micah Brown** from Evangel Church in Montgomery AL, **Lacey Pierson** from Life Church Rainbow City AL, **Monica Lambert** from First AG in Dyersburg TN, and **Natalie Cassady** from Crossway Christian Church in Nashua, NH. These guys will travel with us for the summer as we do 63 services in 68 days across Georgia, Alabama, Florida, and Mississippi. We are looking forward to seeing what God is going to do in and through these students.

Please pray for our travels this summer. If we are going to be in your area, we would love for you to come and hang out with us at one of our services.

We have an opportunity to bless an Assembly of God church and a community in Greenville MS on July 5-8. We have joined with several churches and individuals to go into this area and help Maranatha AG reach their community for Jesus. We had planned for this event to take place in March but it had to be rescheduled. Our goal is to reach 100 families over a 3-day outreach. Would you join us in praying over this community and pray about how you could help? Our budget for this outreach is \$6000. We have already raised around \$3000, would you prayerfully consider joining our efforts by giving financially to this outreach. Please email or call me to find out how to give.
