

The Jones Journey

Winter 2018

We have had an incredible winter so far. The Lord has opened up so many opportunities for us to be in different churches across the Southeast. We love meeting new people and being able to share our ministry vision with them and seeing God form friendships and partnering with NXTGEN ministries. Since October of last year, we have been in 24 different churches. We shared our ministry vision in 8 window slots within a service. I was given the opportunity to preach 5 times. We did 15 Kids Services and 5 Family Experiences. We were also given the opportunity to do 13 different training sessions with church leadership and children and youth leaders.

NXTGEN is excited to announce our 2nd year internship program. Our interns will travel and do children's ministry around the Southeast. We are looking for High School and College- aged students who want to learn more about children's ministry and have an opportunity to do hands-on ministry with children. You must be at least 16 yrs. old. Please send an email to nxtgen612@gmail.com to request an application, or if you have any questions.

GREENVILLE MS INVASION

**Our goal is to reach over 100 FAMILIES in 3 days.
March 12th - 14th**

NXTGEN ministry is teaming up with the Mississippi District Youth department along with Maranatha AG in Greenville MS to do a 3 day community outreach. The outreach will concentrate on areas around the church and will be doing children's ministry in the neighborhoods and inviting the families to come to a service that night at Maranatha.

We will be doing a Kids Service on Tuesday night and have a Family Night on Wednesday night. We will have inflatable games, free food and several prizes to give away plus a service for the entire family. We are praying that this outreach will impact the Greenville MS area for Jesus.

Prayer Needs for the Outreach:

Safety for the students and teams from across Mississippi traveling to the event.

Open doors to get inside the neighborhoods to canvas with flyers and ministry.

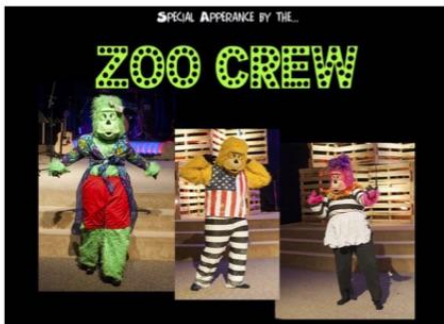

God to go before us to soften hearts to be receptive to the gospel.

Maranatha church to be ready to take care of the harvest that the Lord will bring in.

God moves on hearts of Moms and Dads to see them come to know God.

The students involved will know God is using them to take the gospel to others, and He will move on their lives as well.

God provides the finances to accomplish all that the outreach needs to do.

If you would like to help fund this event, please go to giving.ag.org. You can give a one-time gift or help these and other events like this one by signing up with a Faith Promise, which is a recurring monthly gift. If you have any questions please email me at pastortim.jones@gmail.com.
