"Into all the world," Mk. 16:15

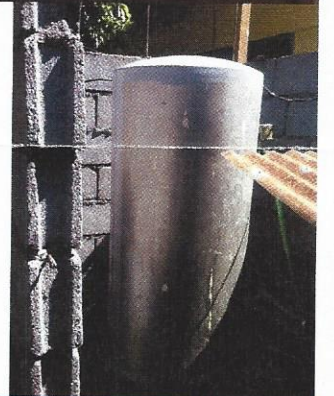

Dear Missions Partners:

In 1993 with your help and support, we bought property and established Evangel Bible College in Albay, Luzon, Philippines. During the last three years, Brother John Ashbrook and a team of men from First Assembly, West Monroe, LA, have travelled with us to the Philippines to make much needed repairs on the buildings.

This year Brother Ashbrook and Brother Darryl Minter returned to the school to continue the work. Bro. Ashbrook spoke for the graduation and worked on the buildings. Bro. Darryl purchased computers and printers, set them up activating an internet program for the college.

For all of this we want to express our sincere thanks to Pastor Warren, the church, Bro. John & Bro. Darryl, and to you our faithful supporters for making all this possible. God bless you all.

For the Lord of the Harvest,

Wes Weekley
