### Connecting Wisdom, Faith & Friendship

When we look at the life and teaching of Jesus, we're reminded how important it is to go back to the basics. Luke gives us some insight into how Jesus grew up. Luke 2:52 notes that Jesus grew in wisdom and in favor with God and others. Throughout our lives, we should also circle back to these ideas as we seek to live like Jesus.

These are the basics: Wisdom - I need to make the wise choice; Faith - I can trust God no matter what; Friendship - I should treat other the way I want to be treated.

**Wisdom:** Jesus taught that the best way to learn what we should do is by listening to God's Word. The Bible teaches us the wise choice for many situations.

**Faith:** Jesus came to earth to physically show us God's love. We can grow stronger faith in God because we have seen what He did through Jesus.

**Friendship:** Jesus walked every day with His friends, allowing them to get to know Him, teaching them, and helping their hurts. By following Jesus' example, we can know how we should treat others.

When we return to these ideas we can begin to discover what God is doing in us to change the world around us. This summer we're heading back to the basics, where we'll learn from Jesus' life, teachings and example.

This month, let's think about how:

- (1) God reveals Himself through the person of Jesus Christ who lived the perfect life on our behalf.
- (2) If we want to be more like Jesus we should strive to grow as He did in wisdom, faith and friendship.
- (3) The Bible is the source of wisdom and informs how we can have faith as God uses us to change the world around us.
