Turn Down the Heat at FBC

We need to replace our chiller that has reached the end of its useful life. Our goal is to raise \$45,000 to buy and install a new unit before summer returns. Several lead gifts, totaling \$24,140 (9 givers) were in hand before the fund drive began on February 16. Since then we have received an additional \$4,255 (15 givers plus anonymous others). We have approximately \$17,000 remaining on the goal. You can help turn down the heat by making your special contribution before the end of March. Look for the "chiller" offering envelopes in the pews or send your gift, marked "chiller," to the church office. Together we can do it!

The Edna Martin Mission Circle

The Edna Martin Circle invites the congregation to join us in bringing food items on the first Sunday of every month for donation to the local Food Bank. A table is set up in the hall outside the elevator on the main floor. The need is great! Let's make a difference.
