

Leadership Team Minutes

March 12, 2018

Members Present:

David Sewell, Trey Laverty, Doug Taylor, Bryant Sebastian, Ben Wells, Angie Smith.

Doug Taylor opened in prayer.

Guest Presentations:

Security team members, Joe Longway and Bobby Price presented an opportunity for the church to participate in a DPS taught active training called CRASE...Citizen's Response to Active Shooter Events. This training will be free to all in April and May. More information to come.

Team Member Reports

Contemporary/Traditional:

Richard Gunkel traditional and Angie Smith contemporary representatives had nothing new to report.

Deacons

Bart Greer was unable to attend, so David Sewell reported that the last deacon's meeting was well attended. Pastor Byron cooked steaks and testimonies were given. Another meeting is in the planning stages in order to start training the new deacons.

Personnel

Trey Laverty reported that Kyle Johnson has joined the committee. The committee is in the process of compiling job descriptions for each staff member.

Stewardship

Ben Wells reported on this month's budget.

Go

Reported that plans are underway to Go and Serve in Shallowater and Lubbock area.

Serve

Bryant Sebastian reported that a Greeter's training will be held soon. He is also hoping to get a list of people who are medically trained in the event we ever need a first responder in that area.

Properties

David Sewell, reported that the church's insurance company had a walk through recently and several items in the Kid's church area needed to be fixed in order to pass the inspection. David was able to take care of the repairs himself but also noticed many other things that a part time maintenance man could take care of so he is planning to bring before the committee the need of a part time maintenance man. David Sewell also closed in Prayer.
