

Pastor's Notes

Can you believe the first month of summer is already over? I can hear the teachers and students groaning as in just a few more weeks a new school year will be upon us. Where did the time go? Well, let's take a quick peek back at some of the activities in the month of June before we look ahead to the month of July.

June:

We had our first **Sunday Night Blitz on June 2nd**. We had 22 people participate in the blitz. We canvassed 73 homes in LaGrange and we got to talk or pray at 24 of those homes. We made some good contacts in the LaGrange area. We then met back at Earl and Judy Smith's house for a wonderful time of food and fellowship. Everyone seemed to have a great time. A big thank you to Earl and Judy for opening up their home for our fellowship and for Bobby Hanna for doing the grilling.

We held our **One Day VBS on June 9th**. We did not have as many kids as we had hoped for but all who came had a good time and most importantly heard about the Lord. We were blessed with a great group of workers who made this VBS possible. A special thank you goes out to Beth Hanna who once again did a terrific job leading our VBS. I want to thank each one of you who prayed, brought cookies, or worked in our VBS. It takes each and everyone of us to make it work.

Youth Camp (June 18-22) As I am writing this our Youth are away at camp in Louisville, KY. They arrived there safe and sound and are having a good time. We look forward to hearing their report this coming Sunday morning. I want to thank those who have prayed for our youth this week. Also I want to thank those who sponsored a youth for camp. You will probably never know this side of heaven what impact that generous gift had in the life of one of these teenagers.

July:

July 1st - we will observe the Lord's Supper in the morning service. We moved this from June 24th so please make a note of that on your calendar.

July 4th - we will not have any Wednesday Night activities

July 8th - We will have our 2nd Sunday Night Blitz at 5:00 pm. We will be working in the Hickory Valley Area. There are a lot of homes in that area that we need to cover, so we can use each and every one of you to help with this outreach event. We will once again go door

to door offering to pray for each house and their needs and then we will join back up together for a time of fellowship. I promise that this is one of the most fun things to be involved in. If you have not been a part of this, then you have really missed a blessing. The beautiful thing about it is that anybody can do it - if you can ride in a car then you can be a part of it. So come and join us this time.

July 29th - We will be having our 5th Sunday Singing. We look forward to hearing the various singers in our church share their wonderful gift of song with us. This is always a good event to invite people from the community to.

Take care and may God bless each one of you,
Bro. Troy
