

Pastor's Notes

I don't know about you but the month of May was a busy one in our household. We had two birthdays, the end of the school year, and then the move to the new parsonage. As I write this the move has taken place and we are getting settled in. This renovation and move would not have been possible without the assistance of so many people. We had people who showed up for work days and did a lot of work that saved the church quite a bit of money. We had people who were willing to go by and let contractors in so they could get their work done. We had several people come and get the new house clean before we moved in. We had people bring us food the first few nights that we were moving so that we would not have to worry about that. We had people pick up our kids from school to help us out. We had people help haul away old items with their trailer. Once again, there is no way we could have made this move without all the assistance we received from our church family. My family and I are grateful for all the help and look forward to enjoying the new church parsonage.

I want to mention four items of interest in the month of June that you need to be aware of.

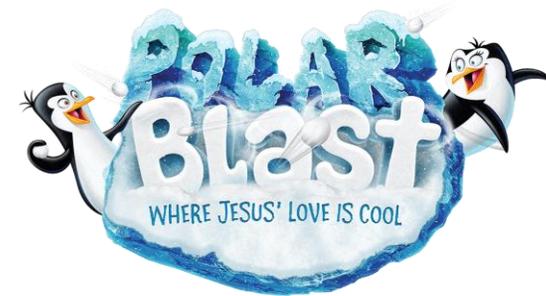

1. **Sunday Night Blitz** - June 3rd at 5:00 p.m. We will gather here at the church to get our street assignments and then head out to LaGrange to do our "Praying on the Porch" event. Each team will have an assigned street to go and knock on doors and ask people if they have any need that they would like us to pray for. We have door hangers to give out this time which will also have a flyer about our upcoming VBS. When we have finished canvassing LaGrange then we will meet back at Earl and Judy Smith's house for a hot dog fellowship. It should be a wonderful night of outreach and fellowship. Please make plans to join us.
2. **Vacation Bible School** - June 9th from 10:00 a.m. to 4:00 p.m. We are doing a one day VBS this year. It is all day long on Saturday, so if you would like to help work VBS please sign up to work either a split shift (10-1 or 1-4) or the entire day. It takes each one of us to make VBS a successful event here at our church!
3. **Youth Camp** - June 18th - 23rd Our youth will be heading to Youth Camp in Louisville, KY. This is the Fuge camp that they attend each year. They will participate in various mission activities around the city of Louisville as well as experience dynamic worship services each day. They will bring a report

of their time at camp on June 24th in the morning worship service.

4. **Lord's Supper** - June 24th Our church will observe the Lord's Supper during the morning church service on June 24th. I hope you will be able to be a part of this special time in the life of our church.

I hope that you will be able to be a part of several of these activities here in the month of June. I ask that even if you can't be personally involved in these activities that you be prayerfully involved in them. We need your prayers in order for these events to be all that God wants them to be. Would you pledge to pray for each of them?

Enjoying the SON,
Bro. Troy

June 9th at 10:00 a.m. until 4:00 p.m.

Dear Church Family,

Thank you for your love, prayers, visits, calls, cards, food, and flowers given to us during Mama Dee's recent passing.

A special thank you to Brother Troy for the comforting message he brought us.

We would also like to thank the ladies for the delicious meal they prepared.

Mama Dee loved the Lord, family, friends, and the Church. She set a great example for us by never missing a Sunday morning service unless she was sick.

Please remember us in your prayers.
