

Pastor's Notes

May is a rather unique month in that it is filled with beginnings and endings. It has two national holidays in it (Mother's Day and Memorial Day). It typically marks the end of another school year (you can hear the teachers and students saying "amen") and the beginning of the summer vacation months. It is also a time of graduations as students are ending their "educational" journey and beginning their next phase in life. It is usually marked with the end of cooler weather and the beginning of warmer weather (but who knows this year??).

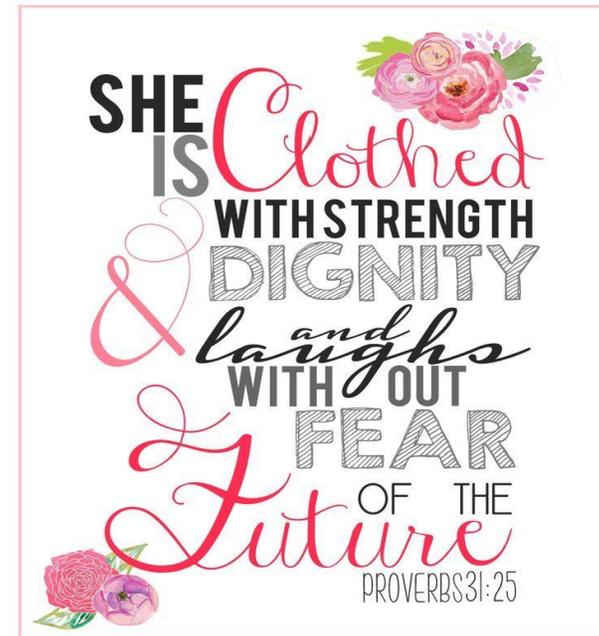

May is not only a unique month but a month that is filled with various activities both in our personal lives and in the life of our church. I would like to share just a few of those activities with you. **May 6th** - we will be recognizing our graduates during the morning service. Bobby Hanna will be bringing our morning message and we will honor those graduates during the service. This is always a special time for our church to celebrate alongside our graduates in this wonderful achievement in their lives. **May 13th** - is Mother's Day. It is always one of the highlights of our church year when we get to celebrate the wonderful contribution that our mothers have made in each of our lives. Please come and help us celebrate on that day. **May 20th** - we will have Dr. Darren Andrus (Regional Vice President of the Brentwood Campus of the Tennessee Baptist Children's Home) come and share about all the changes that are taking place at the Tennessee Baptist Children's Home. Remember that we will be collecting an offering from Mother's Day to Father's Day to help support the Tennessee Baptist Children's Home and Tennessee Baptist Adult Homes. These are two worthy ministries for our church to be a part of. **May 27th** - we will honor our country and those who have paid the ultimate sacrifice for our country. This is an excellent opportunity to pause and reflect on the tremendous price that has been paid for our freedom.

So as you can see, you don't want to miss a Sunday in May or you will be missing out!

God Bless,
Bro. Troy
