

# Bangladesh Baptist Church Fellowship (BBCF)

Partner since 2004

Bangladesh is a **densely populated** country with **over half** of the population **living below the POVERTY LINE**

Bangladesh is plagued with frequent **natural disasters** including floods and cyclones

**political unrest** and **religious tension**

setting an **intricate scene of struggle** and **opportunity** for its people.

The struggles are only exasperated in the rural areas where there is **a lack of literacy**

and **little to no understanding of their rights.**

The Bangladesh Baptist Church Fellowship (BBCF) is a group of **492 churches** that maintains a passionate commitment to planting churches that holistically serve the country's **tribal groups, Hindu communities** and the **majority population**. BBCF initiates the following programs in targeted villages to bring holistic development:

Church Planting

Savings Groups

Biblical Training

Community Health Programs

Children's Homes

Literacy Programs

Humanitarian Aid

## Impact Results

Evangelism: **30,000** new souls won.

## Leor Sarkar

GENERAL SECRETARY & CEO AT THE BANGLADESH BAPTIST CHURCH FELLOWSHIP

Leor Sarkar leads the Bangladesh Baptist Church Fellowship, a denomination that is planting churches and meeting the physical needs of people in communities across Bangladesh. Leor was born into a Christian family and brought in the church. However, it wasn't until a youth camp in 1987 that Leor realized the importance and need of salvation and gave his life to Jesus Christ. After completing his education, Leor began working as a youth minister and then as a pastor to disabled people. He has worked with many leaders and ministries across Bangladesh, and brings a pastor's heart to his work BBCF. Leor now leads a team of 700 evangelists, pastors, children's workers and medical staff who are serving the needs of people in Bangladesh.
