In Chris Thurman’s book “Lies we Believe” he points out that often times we believe things in areas of our life that just aren’t true. He talks about marital lies we believe, religious lies, etc. These misbeliefs can frustrate and discourage us emotionally which can move us toward unwise actions and inappropriate behavior.

In William Backus’ book “Telling Yourself the Truth” he says that we have “self thoughts” that are constantly playing behind the scenes in our mind…messages about our self that we have accumulated along life’s journey. Some of these self thoughts are good, while others are not good at all and generate a great deal of pain as well as poor self esteem.

In Robert McGee’s book “The Search For Significance” he reveals how what a person thinks impacts the way they feel which empowers the way they behave, act or conduct themselves. He attaches 25 Bible studies to his book to support his belief, including Proverbs___ which says, “As a man thinks, so he is.”

In John 8:31-32 Jesus says to believers, “If you continue in My Word, then are you My disciples indeed, and you will know the truth and the truth will make you free.” Evangelists sometimes take this passage out of context and preach it to the lost to be saved. However, Jesus was speaking to believers. He wants us to cherish His Word…to value truth. After all Jesus is the way, the truth and the life. And Jesus did say in John 4 that true worshippers will worship Him in spirit and in truth.

As Christians, we should rejoice in God’s salvation for us in Jesus Christ which provides for us the gift of eternal life. But know this, Jesus has more for us! He wants us to experience the abundant life with Him here on earth as we walk in the light of His TRUTH. This will help heal our damage emotions and empower Godly behavior in our life. THEN, we will know the truth and the truth will make us free! The Adventure Continues… -Bro. Sam
